Your personal details

Anytime you need to update your information you can do that here.

Please add a username

A username can help others find you on the system. Additional contact information also helps, so share as much as you can.

Username

Please supply a username so other people can easily contact you.

Generally how other people would recognise your name in the system.

Additional contact information

Quick details about how you'd like other people to get hold of you.

Best way to find you.

Best way to contact you.

Manage team membership

You can be a member of as many teams as you like, and each team is part of an organisation. On this page, you can join or leave teams by checking or unchecking the boxes next to the team names, or create whole new teams to join.

Please add additional team information

Before you start using Lighthouse you should indicate which teams you're a member of. If you don't see the teams listed (or there are no teams listed) then you can add them on this page.

Teams

Please check all the teams of which you are a member.

☐ alpha (org0001)

☐ beta (org0002)

☐ delta (org0003)

Create a new team.

What is this team called?

To which organisation does this team belong?

If none of the organisations listed below are the organisation you're looking for you can enter a new one.

☐ org0001

☐ org0002

☐ org0003

Add a new organisation

Save and add a new team

Save and finish
